

# Assurance Framework Report (2020-2021)

Alberta Education will be sending our annual surveys in the mail to parents / guardians of grade 10 students. **We strongly encourage you to take a few minutes to fill out and return these surveys** as they are a direct way for you to tell us how we're doing. When filling these out, please note that the response "I don't know" does not help us to understand anything. Instead, we would prefer you leave a question blank, or call the school to seek clarification if you have questions at 403-845-5313.

- This year our faith focus has included *Community* and *Tradition* as Characteristics of Catholic Identity
- As a school community, we are working hard to build up school spirit, and provide a rigorous, predictable, and engaging learning environment so that our students are well prepared to face the challenges of life after graduation.
